ASSOCIATION

MISSION

'NEVER AGAIN' is Poland's leading anti-racist organization. The mission of the 'NEVER AGAIN' Association is to promote multicultural understanding and to contribute to the development of a democratic civil society in Poland and in the broader region of Central and Eastern Europe. 'NEVER AGAIN' is particularly concerned with the problem of education against racial and ethnic prejudices among the young.

It had existed as an informal group since 1992 and it was officially registered in 1996.

OBJECTIVES

The major objectives of the 'NEVER AGAIN' Association include:

- ▶ breaking the silence and raising awareness of the problem of racism and xenophobia;
- ▶ building a broad and inclusive movement against racism and discrimination, for respect, inclusivity and diversity;
- ▶ eliminating or marginalizing racist, xenophobic and antisemitic tendencies in various spheres of life.

The wide-ranging activity of 'NEVER AGAIN' has achieved broad national and international recognition. We have received personal endorsements from heroes such as Jan Karski, Marek Edelman, Simon Wiesenthal as well as from contemporary figures such as Barack Obama and Kate Middleton, the Duchess of Cambridge, among others.

'NEVER AGAIN' is an independent organization, not linked to any political party.

ACTION

Since 1994 'NEVER AGAIN' has produced a regular publication in the form of 'NEVER AGAIN' ('NIGDY WIĘCEJ') magazine, providing reliable information and in-depth analysis on hate crime and on extremist and racist groups operating in Poland and in the rest of Europe.

'NEVER AGAIN' closely monitors racism and discrimination on the ground. Through its national network of voluntary correspondents and regular grass-roots contacts with various minority communities, 'NEVER AGAIN' has built the most extensive register of racist incidents and other xenophobic crimes committed in Poland, the 'Brown Book'.

The 'NEVER AGAIN' Association also provides information directly to journalists and researchers interested in the problem of racism and xenophobia. 'NEVER AGAIN' has consulted numerous programs on the national and foreign television (including BBC, CNN, Euronews, ARTE), as well as assisted in writing many articles for the national and international press (including The Guardian, New York Times, Le Monde,
